

## Guest Lecture and Workshop on Basics of ECG.

Guest lecture and Workshop on 'Basics of ECG' was conducted on 11<sup>th</sup> May 2024 between 11.00 am to 01.00 pm by DEPARTMENT OF PHYSIOLOGY, JGMM MEDICAL COLLEGE, HUBBALLI.

**Objective of the program:**

- 1. To understand the Basics of ECG.**
- 2. To be able to record ECG independently on give subject.**
- 3. To be able to differentiate Normal and Abnormal ECG.**

Dr. Vijaylakshmi, Associate Professor and Dr. Rajesh, Assistant Professor of General Medicine delivered the lecture at KLE JGMMMC, Hubballi for Phase I MBBS students. Basics of ECG was discussed along with common abnormal patterns of ECG which is a Core Competency in Physiology. All 150 students participated in the program along with all 4 Faculties of Physiology.

Hands on training was given in Small Groups for Recording ECG and recognizing and analyzing both normal and abnormal ECG patterns.

All the students interacted very well and it fostered learning.

Feedback was taken for better learning process.
